APRIL EDITION

#1 GRANDPARENTS DAY

Grand parents day was celebrated with great zeal at our school. In order to make students learn that the blessing of the grandparents are very important in one's life, celebrating their presence in school offered a feeling of being loved and shielded among students.

This also helped greatly in creating a strong bond of children with their grandparents. The palm printing of the grandparent along with their grand children was the highlight of the day.

#2 CHRISTMAS

Christmas brings a feeling of joy and happiness. The red and white colours fill the aura with love. Thus, it's celebration at our school was a much awaited event for students as the Santa brought various gifts for them which was followed by the fun and frolic, dance and masti, cakes and food for students.

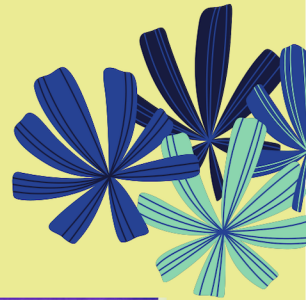

3 SPROTS DAY

The major event of 2023-24 was the sports day at our school. The entire ground was filled with pictures of sports, games, flags and medal tray, decorated with positivity. The dance and welcome songs performed by our students were applauded by the parents. The preprimary stole the show by their cutei performances. Different games for each class group was designed by teachers. Students also thoroughly enjoyed the day. Where some went home with broad smile and Medals, others learned lessons for next year. In all, it was a memorable day for all.

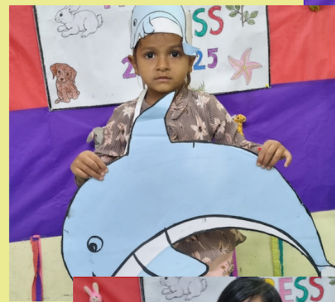

4 PICNIC

The most awaited event for students is picnic. This time we visited the famous Adalaj Stepwell and Trimandir. The stepwell is a historical site and come under the heritage of India. Students were overwhelmed to see the stairs and then the well, which is covered for safety reasons. The Trimandir is a temple known for three Gods, symbolizing the unity and solidarity of India.

5 FANCY DRESS FOR PRE-PRIMARY

The Pre-primary took part the fancy dress event. The theme was from their syllabus, fruits, vegetables and the animals. They came dressed in the said character. Each child was colourful and the whole class also sang and danced on the tunes of the rhymes related to animals & fruits.

6 REPUBLIC DAY

The Republic Day brings patriotic feeling every year. The importance of the day is shared with students every year, so that they remember it for the life time. They danced on patriotic songs and sang the national songs. The white and black dress code made the event look all the more beautiful.

7 PROJECT WEEK

Hands on activity at our school made the child learn it better and remember the concept well. Celebration of the project week made the learning easy and interesting for students under the guidance of their beloved teachers.

8 THE BOOK READING CIRCLE

This academic year we read the book, "The wings on fire" by A P J Abdul Kalam. It gave everyone different perception to the meaning of the great teacher. The respect, the knowledge, the experience Kalam sahab had was shared in such an inspiring way that it made the reading truly worth it.

9 STORY TELLING

Story telling is an art, not every one is able to speak the way it has to be. This talent hunt for story telling was a big success at our school recently. The student who used to speak rarely in class, performed so well in front of the whole school. It was commendable. We found the gems of our school through this activity. On the whole, it was a great successful event.
